Fifteenth Sunday In Ordinary Time

14th / 15th July

Since the notice that there is a new Safeguarding Children and Vulnerable Adults Policy for the Archdiocese, some people have asked about the specific role of the Parish Safeguarding Representative. The following is taken directly from the Policy document:

Local Safeguarding Representative (LRS)

Each parish/agency is to have a Local Safeguarding Representative (LSR). In parishes this role may be a voluntary role. A member of the Parish Pastoral Council (or nominee) may take on this task. In Archdiocesan agencies, an employee responsible for Work Health and Safety matters could also perform this function. The Local Safeguarding Representative is responsible for: Making sure that the parish/agency is aware of the importance of safeguarding children and vulnerable adults, through regular communications to staff/community members; Promoting safe practices including articulating for others what is appropriate and inappropriate behaviour; and Assisting in the administration of the Archdiocesan Safeguarding Children and Vulnerable Adults Protection and Prevention Policy as appropriate to parish needs.

The following sections from the policy may also be helpful for parishioners with regard to families and children themselves.

Families

Families can support a parish/agency's risk management and child friendly approach by: Providing children with required support to participate in the various activities including teaching self-protective behaviours; When appropriate, taking part in the planning, management and delivery of activities; Reporting when a child may be experiencing bullying or harassment whilst participating in an activity/service; and Reporting when there is a suspicion that a child or vulnerable person is being abused or harmed whilst participating in an activity/service.

Children

Children who are old enough can also contribute to their environment by: Showing respect towards other children and adults; Not placing themselves at risk of harm and keeping themselves safe; and Reporting where they may experience or observe inappropriate behavior or unsafe situations

Safeguarding is Everyone's Responsibility

Copies of the Archdiocesan Safeguarding Strategy 2018-2020 are available at the rear of the church.
