### Archdiocesan Prevention & Protection Policy

The Archdiocese of Brisbane holds that children, young people and vulnerable adults are a gift from God with an intrinsic right to dignity of life, respect and security from physical and emotional harm.

They are to be treasured, nurtured and safeguarded by all. Safeguarding Is Everyone's Responsibility

*'And know that I am with you always; yes, to the end of time.'* Matthew 28:16-20

We are now moving closer to the Plenary Council of the Catholic Church in Australia in October. Here is this week's Fan the Flame reflection and prayer, as we make this journey together as the Church.

<http://plenarycouncil.catholic.org.au/fantheblade/>

### Plenary Document Reflection

Novo Millennio Ineunte was written to guide the Church as it entered into the third millennium. We put the question with trusting optimism, but without underestimating the problems we face. We are certainly not seduced by the naive expectation that, faced with the great challenges of our time, we shall find some magic formula. No, we shall not be saved by a formula but by a Person, and the assurance which he gives us: I am with you!. The fifth Plenary Council in Australia, convened to discern what God is asking of us in Australia at this time, is a unique opportunity to embrace more fully this practical spirituality of St Mary MacKillop. Throughout the pages of the working document, and through the various stages of consultation and discernment, the whole Catholic community in Australia, in an exercise in synodality, has sought to identify the needs to which the Church today is called to respond. As has been mentioned throughout this document, it is the joys and hopes, the griefs and anxieties, of the people of our age, and of our country, which are the joys and hopes, griefs and anxieties of the followers of Christ. As people of faith we believe that, through the gift of his Church, the Lord has equipped us, and continues to equip us, to recognise the needs of our time and set ourselves to doing something about them. In the prayer composed for the Year of Grace we speak of Mary MacKillop as one "who showed us new ways of living the Gospel". These challenges are, at the same time, real opportunities for the Church. We ask ourselves today, as did those who listened to Peter speak in Jerusalem on the day of Pentecost, "What should we do?" (Acts 2:37). As Pope John Paul II reminds us in Novo Millennio Ineunte, "we put the question with trusting optimism, but without underestimating the problems we face". The Pope goes on to remind us that ultimately, we put our trust not in formulas, but in Jesus himself who assures us that he is always with us. It is the gift of the Holy Spirit at work in us, as individuals and as the community of disciples which we call the Church, which can guide us as we step bravely into the future, always in the footsteps of the Good Shepherd who is our Way, our Truth and our Life. This is what we have been praying for since our journey towards the Plenary Council began: "Come Holy Spirit of Pentecost, come Holy Spirit of the great South Land, bless and unite all your people in Australia".

### Prayer

Lead your Church into a hope-filled future, that we may live the joy of the Gospel. Through Jesus Christ our Lord, bread for the journey from age to age. Amen.

Our Lady, Help of Christians, **pray for us.**

St Mary MacKillop, **pray for us.**

## NATIONAL RECONCILIATION WEEK

“At the heart of the Gospel is reconciliation – between humanity and God and between human beings. The Church has a crucial role to play in promoting and supporting reconciliation with the First Peoples in Australia.” (Archbishop Mark Coleridge)  
Across our Parish this weekend will begin our Eucharist with an acknowledgment of Country. This week of National Reconciliation provides us with an opportunity to engage with each other in our journey of reconciliation with our Aboriginal brothers and sisters.

### Australian Catholic Bishop's National Count of Attendance

During the month of May all Parishes across Australia were asked to do a count of Attendance. Church attendance is perhaps the most basic measure of religious practice. Over the first two weekends we did a basic count of everyone, the third weekend we were asked to divided the count between male and female, this weekend gets a little trickier as we have to do an age count! So if our monitors asked you to indicate your age group we hope you didn't all say 21 as we may not get away with that answer! We do however thank you for your support in this very important determination for the ongoing Pastoral Care of our church not only locally but across Australia.

**From the Desk of Mrs Lisa Freeth (APRE)**

On Monday, myself and Year 6 students Bella and Ashley attended the National Mass for the Bicentenary of Catholic Education in Australia. We were one of 75 BCE schools present at St Stephen's Cathedral in Brisbane to celebrate the Solemnity of Mary Help of Christians. Bella, Ashley and I felt extremely privileged to attend this event and both students represented our school with pride.

**From the Desk of Mrs Raechel Fletcher (APRE)**

We have had a busy week here at St Columban's College. The students have their virtual sleep out Wednesday the 26<sup>th</sup> May to "walk in the shoes" of those who are experiencing homelessness. Our College supports a number of charities and teaches our students the values of empathy and compassion as they also learn about the organisations they are supporting. For example, in a couple of weeks' time our Year 8 students will have a visit from Catholic Mission and participate in some service activities to support their work. As they are providing service they will also be learning about what Catholic Mission does and ways they can help. Educating young hearts and minds, that's one of the key messages in our vision statement.

Wednesday the 26<sup>th</sup> we will also recognise National Sorry day. Our first Nations Middle leader Ms Dayna Petrie has put together a video filming our community on the meaning of Reconciliation. Our First Nations students will participate in a gathering with other students from other schools on Thursday 27<sup>th</sup> May. They will have a chance to share story and cultural experiences strengthening the connection to their bigger story. Reconciliation is an important conversation to have in our Catholic schools because we are communities of welcome and peace living out the mission of Jesus.

*Have a Blessed week*
