

Make Time For One Another, Even If You're Busy

"Love needs time and space; everything else is secondary. Time is needed to talk things over, to embrace leisurely, to share plans, to listen to one other, to appreciate one another and to build a stronger relationship. Sometimes the frenetic pace of our society and the pressures of the workplace create problems. At other times, the problem is the lack of quality time together, sharing the same room without one even noticing the other." *Pope Francis.*

"Relationships are like gardens. They require nurturing, patience, and attention to flourish. When problems arise, it's an opportunity to tend to the weeds and cultivate a stronger foundation."
