

Thank you for supporting the ANNUAL CATHOLIC CAMPAIGN last year.

Because of your generosity -

- 1. Six Mary McKillop Bursary funded students graduated year 12 in 2023. This year we have 21 new students beginning their secondary journey through Catholic Education. You made this happen!**
- 2. With your 2023 gift, women and children facing domestic violence were given support and aid to flee to a safe space ensuring them of a chance to live free from violence and fear.**
- 3. At the end of 2023, nine Archdiocesan Priests retired from active ministry, your support helped them transition into new accommodation and a new role within the archdiocese.**
- 4. The Holy Spirit seminary welcomed three young men into transitional diaconate in 2023. Though your support of the Seminarians the Archdiocese was blessed with 4 newly ordained priests in 2024.**
