Ministry Matters

As we move even further into this New Year, I want to take this opportunity to acknowledge and thank the many people who make this Christmas Season worthwhile.

You are far too many to name individually, but I want to thank you for all that you had achieved. From the amazing décor people at each of our parish churches, who set up Christmas trees, strung amazing lights around and hung the drapes that reminded us of just why we were there.

My thanks also to the many ministers who exercised their particular ministry to allow us to gather and to celebrate the wonder of the Christmas story once again. Thank you.

I would also like to acknowledge the many people who came to mass to celebrate the birth of the Christ child into our lives once again. Your presence was greatly appreciated, and no doubt God will smile on you through this year ahead and bless all that you set out to achieve.

My thanks also to the hidden people of our communities. To those amazing people who step up to ensure that our gathering spaces are clean and well presented. You do amazing work in your lives and your ministry of care. Thank you.

I would also like to acknowledge the counters who come to the office and spend their time counting and banking the collections that come in not just over the Christmas Season, but those who come every week to support the financial management of the parish. Your commitment is greatly appreciated.

To our musicians and singers who do so much to lift the power of our prayer time at Mass. Thank you.

There are probably so many others to acknowledge for their work and commitment in the various communities that form our parish. It is because of you that our communities live. Thank you.

Finally, I would like to acknowledge our valuable parish staff who do so much behind the scenes to support we three priests of the parish as well as ensuring that all is organised and ready for the celebrations each week, but especially on Seasonal occasions such as Christmas and Easter.

Our parish staff, Sharron and Kath do so much to keep the parish going, and Fr Akesh, Fr Sean and myself greatly appreciate just what they do for us and for the communities to which we belong. Thank you.

So, now it begins again. As we slowly rise from the wonder of the Christmas story we are about to embark upon this new adventure as this new year, 2026, continues to unfold for us. May it be a time of wonder and amazement as we continue to discover the Kingdom of God in our midst.

God bless to all. Fr John, Fr Akesh, Fr Sean.
